

# Village of Walloon Lake *Wedding Guide*

## *Love Notes:*

“Hotel Walloon did a wonderful job helping my team bring our vision for an event to life. The staff was incredibly responsive and was quick to help find solutions when we needed them. We felt like we were the only event their team was helping to plan during their busiest season of the year.”

”We could not have been happier with our daughter’s wedding at The Talcott / Hotel Walloon. Several months after the wedding we are still getting compliments from friends and family! The venue was fantastic and a great value- the outdoor fire pit was a unique and lovely feature. They really helped minimize the stress and make the wedding wonderful!”

”The team went above and beyond our expectations: easy to contact, flexible and helped me with every question. Hotel Walloon is the most amazing hotel I’ve ever stayed at, with staff that are sure to meet your every need. Our wedding guests are still raving about our wedding and the accommodations at Hotel Walloon.”

Thank you for your interest in planning your wedding with us! The Village of Walloon Lake is located in Northern Michigan on the East Shore of Walloon Lake. We are the perfect destination spot for all your events surrounding your special day. We have unique venues for your rehearsal dinner, welcome reception, cocktail hour, dinner reception, after wedding brunch and of course, your wedding ceremony and reception. We have highlighted some of the details of our event spaces below and look forward to helping you plan your wedding here in the Village of Walloon Lake.

**The Talcott:** Previously a Master's boat building school and recently renovated in 2016, this historic venue has high lattice ceilings that will give your event a one of a kind look and feel. This venue can accommodate up to 240 guests and is located across the street from Hotel Walloon. There is no Hotel Walloon room requirement for use of The Talcott. However, we are happy to provide a room block for you and your guests.

**Hotel Walloon:** This venue offers you and your guests' exclusivity and memories to last a lifetime. The patio of the hotel can accommodate up to 120 guests for your ceremony, cocktail hour and dancing. The patio can also accommodate smaller dinner receptions. In order to have any private event on our patio, 30 guest rooms must be booked that meet Hotel Walloon's minimum length of stay policy.

**Village Green Park:** This green space overlooks beautiful Walloon Lake and is a perfect ceremony / reception site for up to 250 guests. The Village Green Park is located in the middle of the village and offers spectacular lake front views. In order to have a private event in the Village Green Park, six guest rooms must be booked by your party that meet Hotel Walloon's minimum length of stay policy.
