

BOATING & WATER SPORTS

Boating & Water Sports has been a part of Walloon Lake culture dating back to the times of Ernest Hemingway's iconic summers on the lake. With the creation of the classic 17's of Walloon and historical Walloon Lake winds, boating is more alive than ever.

Explore Walloon Lake by kayak, pontoon, paddle board, and wakeboard boat with rentals from Tommy's Walloon. Private dock spaces available at Hotel Walloon during your stay.

Boat & Watercraft Rentals are available from May to October.
