TREETOPS RESORT | Gaylord, MI 33 miles from Hotel Walloon

Home to five award-winning golf courses, Treetops is a popular destination for golf aficionados of all ages and skill levels.

THE PREMIER

The only golf course in Michigan designed by Tom Fazio, the Premier course is a special treat for Michigan golfers. With rolling fairways and just one water hazard, the Premier course is player-friendly. On the contrary, with steep slopes and plenty of dogleg turns, the Premier still challenges even the most seasoned players.

THE SIGNATURE

Named one of the best golf courses in the Midwest by Golf Magazine. With all of the sloping mounds and narrow fairways, the Rick Smith-designed Signature course will keep your whole group on their toes.

THE MASTERPIECE

Opened in 1987, Golf Digest named it the second-best new course in the country. Robert Trent Jones Sr. designed this course with deep ravines, plentiful sand traps, tough pin placement, numerous water hazards and constant elevation changes. The Masterpiece is widely considered the most challenging course at Treetops.

THE TRADITION

Rick Smith's third resort course design is the most player-friendly course at Treetops. The Tradition course has less elevation change, wider fairways, and a more natural landscape than the other courses on the property.

THE TREETOPS

Treetops' nine-hole executive course is widely considered the top par-3 course in the country. Photo-worthy vistas surround the course's brief but often steep fairways. Perfect for golfers looking for a warm-up round or a quick game before heading home.
