Love Notes

M+ C

The hotel is absolutely gorgeous and the staff was that much more amazing. We rented out the entire hotel for our guests the weekend of our wedding, and they truly made us feel like it was our home for the weekend. By the end of our weekend, we had guests from all over the country talking about how they wanted to plan their next trip back to this hotel. We are so lucky we found this place to host our wedding weekend and he highly recommended to anyone looking to get married in Northern Michigan.

T+J

I truly don't have enough wonderful things to say about Hotel Walloon and their event team and staff! Talk about a group of insanely talented and professional individuals who work so well as a team. My husband and I had both our ceremony and reception on hotel property and it exceeded our expectations in every way. Add in the planning and re-planning for COVID, their staff handled the process proactively and professionally which made for the perfect day. If you are looking for a venue you will not be dissatisfied!

S+P

When my husband and I started planning our wedding, we knew that Hotel Walloon had to be a part of it. We had actually met while working there and we are so glad that we held our reception at the Talcott Event Venue. The staff make you feel so welcomed and give you a blank canvas to create the wedding of your dreams!

THE TALCOTT EVENT VENUE

Celebrate long after the sun sets, under the twinkling edison lights and near the warmth of the glass stone fireplace; the outdoor Talcott patio offers an intimate and charismatic spot to relax and gaze upon Northern Michigan's star speckled sky.
